Docket No. INS-07-900)

The Maine Automobile Dealers Association Insurance Trust (“MADAIT”) adopts the response of the Maine Chamber of Commerce with respect to the Hospital Initiative Questions, and the Health Care Provider Fee Initiatives. MADAIT submits herein its response to the Uninsured / Underinsured Initiatives questions posed by the Superintendent, as follows:

Uninsured / Underinsured Initiatives	
Question Posed	Response
<i>For the Payor Intervenors:</i> Can you point to evidence in the record where any party has attempted to quantify how Mr. Burke’s calculation should be further adjusted to correct for the alleged misleading characterization of the number of uninsured?	The MADAIT defers to any citations provided by the MEAHP.
<i>For the Payor Intervenors:</i> Can you point to evidence in the record that the “did not responds” break down differently than the “responds” with respect to their previous insurance status?	There is no such evidence in the record, as in fact there is no support whatever for the assumptions made by schramm-raleigh (AR 6168, AR 438-441).

Respectfully submitted,
